Thoughts from a slipped Gear.....

.

Now that we are ready to see three digits on the thermometer, grab a cool drink sit and relax for a few minutes. While you are not doing anything, why don't you just read the newsletter and make your time count.

We have made it one half way through the year. We, as a club have been very busy. Our members have said goodbye to some very good friends; and welcomed some new friends into our club. We have gotten down and rubbed elbows with each other to pull-off another GREAT Swap Meet and the Sunday Car Show in April. As a club we have had several tours, and with each one we had a lot of participation. Together we have shared our table and then jump started each other as well their Cars. We helped the Kentucky Derby horses to win; while we sported OUR finest colors. With the heat, we dressed the top half as SUPER classy, but we had shorts on the bottom half. Of course, our HATS were the main event. To make us look better, all our photos were table top, so we looked GREAT.

Now with the annual 4th of July picnic coming in just a few days; WOW how did that happen? Be sure and thank Nita and Charles Bode for inviting the entire club to their home for the annual Picnic. We are praying for cool and pleasant weather. As most of you know; this does replace the July Club meeting at the library; in August we will be back in the library.

We do find ourselves looking ahead to a hot couple of months, so...Be wise and travel with water and stay out of the sun and check your tire pressure.

Remember that every 2nd Saturday of the month the members who can, meet for breakfast at the Golden Corral in New Braunfels for breakfast together. This is an informal and pay as you go event. So.... go..... stuffand enjoy some time with friends. WE promise not to weigh when you come in or when you leave.

We are looking for three more hostesses for the Cruisin' Cuisine. This was an event that was high on OUR request list. Only one stop requires seating at a table...most are walk around. This allows for garage touring and eating at the same time. Therefore, a big space is not as important as you might think. We already have one hostess that has stepped forward.

Now is the time to get out in the evening while it is COOLER and take a ride with the person you enjoy the most..... your Grandkids, the neighbor next door, your car Buddy, your dog or of course your sweetie.....

HEY, it is just more thoughts from.....a slipped Gear

June 2018 NBACC Minutes

The club president, Sherry Dawson called the June NBACC meeting to order. A motion was made to accept the May minutes and was approved by Charlie Jacobs and seconded by Fred Willard. We had several visitors at the meeting and they were Mary Starnes, Harry Dietert, Jim Bowman, Mike and Judy Surlock and new member Harold and Pat Carlson.

Treasury Report

Marcia Hodgkins gave the treasury report. See below,

Care Committee

. Sonny Chapman was put into a nursing home. It was getting too much for Millie to watch and take care of him.

Trivia

Sergei Ceyans had trivia questions from the 1934 that were answered with automobile names. Some of the examples were:

To cross a stream---Ford
What desperate people do with their teeth---Page
Author of Poor Richards Almanac---Franklin
River in New York---Hudson
A color---Auburn
A city in Michigan---Flint

Swap Meet

Doyle Marshall reported we had a great turn out at the Swap Meet and the weather was super. The Swap Meet Committee reported we had a profit of \$18,325.00 and we have only 180 spaces available. There was a meeting with the Fair Association and they are increasing the fee by \$500.00. And we may need to supply an EMT or first aid stand.

Old Business

Sherry Dawson read a letter of thank you from Brock Andrews, our scholarship recipient thanking us for choosing him to receive the scholarship.

We had a blast at Kirby's for our Derby Days race. The weather was good and we had a great turnout. The races were fast and wild and the ladies wore their fancy hats and the guys put on their fancy duds. A good time was had by all.

Charlie Jacobs reported the Cruising for cans was great. There were 30 cars there, it did rain on and off through.

Sherry Dawson had business cards printed up for us to hand out to perspective members. The cards have all the information on the club and on the back there is a space to put your name and contact information.

The McQueeney Baptist Church car was a big success. There were about 70 cars at it and there was no entry fee. They had a lot of drawings for door prizes.

New Business

Our 4th of July party will be held on July 1 and it will double as our monthly club meeting. It will be held at Charles and Nita Bode's. All of the details are in the May newsletter with a map. Member need to RSVP to Nita Bode so she will know how many to expect. She is also requesting large tables. Members need to bring chairs, appetizer or dessert. They will supply water and tea. Plan on it starting around 4:00.

Several members were suggesting we do another Cruise N Cuisine. If we have enough interest we will need members to help sponsor the stops. There are four stops, appetizers salad, main course and dessert. Let us know if you are interested.

Several people have asked about shirts.

Shirts for members: Sizes small thru XL, add \$1.50 per every XT's. Short sleeve \$23.00, long sleeve 27.00. Polo's with pocket \$29.00 without pocket \$28.00. Fitted vest for \$25.00 each. We need to order 30 shirts/vest to get these prices. Based on same color run as on the vest.

A motion was made to adjourn the meeting and second.
