More Thoughts from a Slipped Gear.....

It is true, that the Annual Meeting is the biggest turn out of any meeting during the year. Some of the factors might be the time, since some of our membership still works during the week. I tend to think that it is the biggest draw is the fact that we serve food. Be sure to mark your calendar and dress to celebrate THE SEASON.

Bring an un-wrapped gift for the kids, we ask that the gift has a value of at least \$10 and that each of you bring a gift. Our kids deserve a good Christmas and we can help Santa out. Besides that Jolly Ol Guy needs a break.

We will have a shorter meeting and acknowledge the people who have made it all happen. There will be a formal election to close the year and install any new officers. The duty boards for the Swap Meet will be there, so that you can sign up, **AND DO SIGN UP**. There is a job for everyone and need for everyone to participate.

Bring with you ideas for the coming year, be ready to lead a cruise, put together a small get together. There are plenty of people who will help with any event.....JUST ASK. We will have an idea box.....so.....BRING IT ON!

Take a minute during the night to thank all of the Officers, Board members and event sponsors that have made our year one that you have enjoyed. It takes a quite a few dedicated people to make this club function ..... Now is the year for you to be one of those who step up.

Bring with you an appetizer or dessert, ( as instructed by Hank, mine is an appetizer) just check with him. MAKE SURE YOU HAVE GIVEN YOUR RSVP. IF NOT DO IT NOW.

REMEMBER NOW IS THE TIME TO BRING GUESTS AND INTRODUCE THEM TO THE FUNCTION AND FUN OF THE CLUB.....and some Good Food.

Just more thoughts .....from a slipped gear.

## **November 5, 2017 NBACC Minutes**

The club president, Sherry Dawson called the November NBACC meeting to order. The October meeting minutes were approved and accepted. Marcia Hodgkins gave the treasurer's report. We had one guest at the meeting, Carol Shelton. Carol is a Z fan. He has an orange 1972 Z and a Fair Lady convertible Z.

### **Trivia**

Sergei Ceyans reported that there were 51 Tucker automobiles built and 44 are still in existence. Hemmings has one for sale now for over 2 million dollars if anyone is looking to pick one up. He then went into a little of the history of Burma Shave highway signs. Burma Shave was advertised as the brushless shaving cream. At one time it was the 2<sup>nd</sup> largest selling brushless shaving cream. It started in 1925 and started the billboard signs in 1927-28. They originally started with six signs and then went down to four signs. They finally phased out the signs because of the interstate system, you couldn't read them going that fast. They were in every state except Arizona, New Mexico and Nevada because there was not enough traffic. The original signs were red and white or black and orange except for South Dakota and they were blue and white there. Burma Shave was purchased by Phillip Morris in 1963 and the signs were pulled after that. The House on the Rock has a large collection of their signs and there are still a few on the old route 66 in Arizona. There were 600 different sets of signs at one time and the last sign always had "Burma Shave" on it. The term Burma Shaving was a term referring to political candidates placing signs along side the roadway.

### **Care Committee**

Ira Ford has been ill and undergoing medical test and we wish her the best. Jan Stull will be stepping down from the care committee and Cindy Gable will be taking her place.

### **Swap Meet**

Mike Haas reported there were 78 available spaces of which 30 are in the "Car Coral". There will be a swap meet committee meeting at the Dixie Grille in Seguin on November 16<sup>th</sup> at 6:30pm.

### **Old Business**

The Alamo Springs Café cruise was great, we had about 10 cars on the cruise. Unfortunately Gene and Jo Goodall had to turn back for personal reasons. The food was delicious and plenty of it. They were unable to stop at Lukenbach because it was packed with motorcycle riders. They were able to stop at the flower farm between Blanco and Wimberly. Then they stopped at the pie bakery in Wimberly and purchased pies.

The "trunk or treat" in Stockdale was cancelled because of rainy weather.

The Simpson "trunk or treat" was a success, there were about 75 cars there with several dragsters. Billy Dawson won best paint with his Chevy Station Wagon.

### New Business

November is the month that we put together nominations for club officers to bring to the December meeting. Chalmers Gable is heading up the nomination committee this year so if you have any nominations please turn them in to him.

On November 11<sup>th</sup> is the Veteran's day Kingsbury Aerodrome picnic. We will meet at the Justice of the Peace office on Highway 90 at 8:30 to cruise to the aerodrome. Bring you chairs, food and drink or support the volunteers there. **The event is from 9:00 to 3:00.**

We will reschedule our November 18<sup>th</sup> Charles Greenlaw "Movie night".

December 2<sup>nd</sup> is our Christmas Party and monthly meeting. It starts at 6:00pm at the Red Barn on Cardova road in Seguin.

December 7<sup>th</sup> is the New Braunfels Wasselfest. We will meet at the Miller insurance company on San Antonio street before 5:30pm.

We are working on a Christmas light tour in Fredicksburg on December 16<sup>th</sup>. More infromation will follow.

January 27<sup>th</sup> is our Snowbowl at the Pin Twist Bowling Alley on highway 46 in Seguin. We will need a head count. More information will come.
