More Thoughts from a Slipped Gear.....

WELL HELLO 2018!

When I was a kid I never thought that I would see the year 2018, that was a world away in time. When you are a kid there is always a **tomorrow**. This year we have had to say Goodbye to many of our friends, they did not have a tomorrow, but we do. Let us pray that God continues to help their families, and our family (our club) to look forward to what is to be. We will continue on and enjoy each and every day that is given to us.

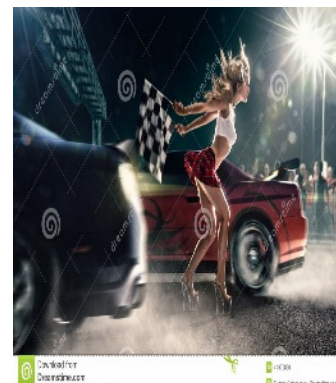

Although, it is cold today and will be cold for a few days, in each of the next two months It is time to get out and get together so that we can enjoy the future. The future is here and **it is in our windshields**. Get behind the wheel, settle into the seat and look into the mirror to yesterday, then back out of the driveway and head for tomorrow. We cannot get started if we stay parked. I have found that the most fun is experienced with family and friends. So make a few calls, stop and talkand invite friends to come with you. There is always room for one more. (Or two). There has been some confusion for our newer members; that they can only cruise with us if they have an antique, classic or other collector type car. So for their confusion I will say, that when we hit the road we will continue to put the classics in the front and let the modern cars to follow. Now with that said, there is no excuse not to get in on the fun.

We got some great ideas at the Christmas Party. Some of you want to repeat a few of our past events and some gave us great new ideas. We will have the purple **IDEA** light bulb at every meeting and with it there will be **IDEA slips** to fill out and drop in the bulb. I can't say it enough.....this is your club, be a part of it.

In January we will have the annual bowling tournament. Don't worry this event is not televised and last year I brought up the rear with a spirited 107. So mark this one down and come and bowl or in some cases, eat and root.....or shame...your favorite bowler. They say the food is always good at a bowling alley. In February we hope to do the Mardi Gras party again. Some one will get the "King Baby". March will bring some better weather and some fun awaits. I personally am looking forward to some time on the Drag Strip. A 5-layer fire suit is not fun in the heat of the summer. So lets look forward to tomorrow Following March is April and that should be a bright red mark on your calendar. If you have not signed up on the duty board, please do now. This is the most important function of our club and it takes the most member's time for one event. Layout is always a good social time and it takes an army. This is definitely the time where there is always room for one more,new member or old.

Let us not let another **tomorrow** turn into a **yesterday** without out our Participation See you out there!!!!

Just more thoughtsfrom a slipped gear.

December 2, 2017 NBACC Minutes

The club president, Sherry Dawson called the December NBACC meeting to order. A motion was made to accept the November minutes and was approved by Charlie Jacobs and second by Steve Hair. Marcia Hodgkins gave the treasurer's report . We had two guests at the meeting, who are actually members, they were Carl and Bonnie Schulte from Houston.

Care Committee

. Cindy Gable reported that Barney Calbert's appendix had ruptured but is doing a lot better now. .

Swap Meet

Doyle Marshall reported there was a work signup sheet for the swap meet posted and everyone should put their name down to work at the swap meet. He also had flyers for the swap meet and urged everyone to take some and pass them out to people and businesses. We have only about 20 spaces that are available at the meet. He also stated that if anyone was going to bring their own cart they should make note of it on the signup sheet with your phone number so Charles can get in contact with you. Anyone who signed up for cleanup should note there that there is no one in charge of that and if you need supplies you should go to the hospitality booth for them. Cleanup needs to be done all day long during the event. He also supplied calendars with the time and dates of the layout and setup for the swap meet grounds. We need everybody to pitch in and help. Bobby and Linda Miller said the car show is going well and it is time for trophy sponsorship. If any members want to sponsor a trophy it will cost between \$35 and \$50. The trophy sponsorship is going quickly. This year Sherry Dawson will be running a bus around the swap meet grounds to shuttle people from place to place. We will try this out this year and see if it is something we want to continue in the future.

Old Business

Everyone that went out to the Kingsbury Areodrome had a great time. There were a lot of airplanes and cars. You could watch the planes fly around and observe some of the old vehicles they had there. It has really turned into a huge event. They build airplanes there that are use in museums and displays around the world. Billy Dawson won best in show at the car show with his 1956 Chevrolet Nomad.

New Business

Sherry Dawson showed her appreciation to all the officers and the board of directors for their service for this past year by presenting them with gifts. If anyone has any ideas or suggestions for our web page you need to get in touch with Celeste Rance. Chalmers Gable

reported there were not volunteers to replace our current officers. Sherry Dawson had talked to all of the current officers and they said that they would continue their service for another year. The floor was opened to any nominations but there were none. A motion was on the floor to accept the current officers by acclamation and it was accepted by Charles Greenlaw and second by Billy Dawson.

December 7th is Wassailfest in New Braunfels. We need to meet at Miller Insurance building on San Antonio Street at 5:30. At which time you can walk around and sample the different Wassail, shop and listen to the music.

December 16th is the Christmas light tour to Fredericksburg and Johnson City. We will meet in the parking lot at Golden Corral at 2:30.

January 27th is our Snow bowl at the Pin Twist Bowling Alley on highway 46 in Seguin. We will need a head count. More information will follow.

(BRING YOUR OWN IF YOU HAVE THEM)
THEN PICK OUR A BALL AND JOIN THE GROUP.
RSVP TO SHERRY 830-305-4570
SO WE CAN RESERVE ENOUGH LANES

JANUARY SWAP MEET UPDATE

Looks like the time has already come to start another year. Along with that time has also come for us as a club to get ready for the next swap meet.

After "kicking it off" at the Christmas party on December the 2nd, I wanted to follow it up with an update in the newsletter. The dates this year re April 20, 21, 22, and I'm going to attach an April calendar with the dates and activities leading up to the meet. Hope everyone will take a few minutes to look it over, and as always Gene Goodall has the SIGN-UP board, so be sure to get in touch with him and sign up for the jobs you would like to be involved with during the swap meet. Gene also has the board at the monthly meetings, and many activities.

At this time there are probably only about 12 spaces left, and they will soon be gone. We also have added the ability to take credit card payments, and this year Sherry Dawson along with Dana are working on a shuttle bus system to move people with in the grounds, and help security with unauthorized driving in the isles.

The swap meet committee has and is working diligently on these and other changes along with general organizing. So now it's time for the club to get behind us and involved, for another successful swap meet.

Thanks,

Doyle Marshall
