MORE THOUGHTS FROM A SLIPPED GEAR.....

March just marches on and it is coming. Wow, can you believe that it is here again. However, this year it was preceded by cold and wet and then came the foggy weather; mixed with hot and sunny one day stints in between. I have been searching for that dumb GROUND HOG; I have a bone to pick with that hog! I have worn out one coat, several long sleeve shirts and one umbrella trying to outsmart Mother Nature. NOW I know how a first grader feels trying to keep up with a coat and mittens during the 70 degree Texas afternoons. I know I have slept, but I don't think we have moved away during the night to a colder state. There must be an answer to this crazy weather. It is no wonder why we all have been sick with weird viruses, sinus infections and bad colds,. No one can dress for this weather. I am looking forward to Day light savings time to begin. I have flashlights in every corner of every room so I can see what I am doing; it is time to come out of the cave.

I am ready for beautiful long days and sparkling nights. With the Swap meet just around the corner ; the count down has begun. We will have the car show on Sunday so be ready to get that hot rod or classic out . Then start the wax on and wax off. We know that there are jobs to be done and we are the ones who will do them. Sign up at the next meeting if you will. Then get out some old clothes and shoes for the make "ready days "ahead. There are old tennis shoes of every color in my closet from the many layout days that have come before. When we turn out in numbers , like we did last year; and it makes the job of marking the spaces go quickly. The same happens when we come out in numbers to put all of the flags to mark the spaces for the vendors. LADIES and GENTS; these Jobs are fun work and we visit together the whole time. The tents rise with great speed when we all pitch in and take an end. Be sure and get out your red marker and mark those dates down on your calendar. There are plenty jobs for all of us to go around. It is FUN.....It is SOCIAL....and it is CELEBRATED on Saturday evening with a dinner for all who work.BUT MOST OF ALL IT IS FOR A GOOD CAUSEAND IT MAKES YOU FEEL GOOD. Like they always say,"if you don't like the weather in Texas, just wait a few minutes and it will change. So, bring your tennies, your flip flops and your boots, then wear your t'shirt with a long sleeve shirt and put a jean jacket over that and a then put a parka in your car. Then put on shorts under your jeans and be ready for anything Texas can through at you. It is SWAP MEET TIME and just like in the theater, be it rain or shine the SWAP Meet goes on.

BUT SAY A PRAYER FOR GOOD WEATHER....

JUST MORE THOUGHTS FROM A SLIPPED GEAR

February, 2018 NBACC Minutes

The club president, Sherry Dawson called the February NBACC meeting to order. A motion was made to accept the January minutes and was approved by Gene Goodall and seconded by Sergio Ceyanes. Marcia Hodgkins gave the treasury report .

Care Committee

. Cindy Gable reported that Chuck Ford is in the hospital with a reaction from his chemo treatment. Hopefully he will get better.

Trivia

Sergei Ceyans reported that he had a bunch of random trivia for the meeting. Carl Benz designed the first automobile in the world. Ferdinand Porsche is accredited with designing the VW. The General Lee on the "Dukes of Hazzard" was a 1969 Dodge Charger. They also used a lot of 1968 Chargers for the crash scenes and not so close-ups. They used over 50 cars in the filming of the "Dukes of Hazzard". The Ford Mustang got its name from the P-51 Mustang air plane from World War II. The first muscle car was considered to be the 1964 Pontiac GTO. The worlds largest automotive company is Toyota. Gulf opened up the first drive in gas station in Pennsylvania. In 1934 Camden New Jersey had the first drive-in Movie theater. The fastest car in 1962 was the Chevrolet with a 409 engine. Massachusetts is accredited for having the first car insurance company. Harley Earl designed the first fins on cars he was also the designer of the 1953 Corvette. The Chrysler Hemi engine got it's name in 1964. The first Japanese car introduced in the U.S. was the Honda Accord. The 1991 Ford was the last car to offer the cassette player. The first toll road in the U.S. was in 1792. In 1887 the Benz was the first car offered for sale. The first Grand Prix was run in 1901 with an average speed of 46 mph. The Oldsmobile was the first U.S. mass produced car. The Chevy "Bowtie" first appeared in 1914 which is the same year of the first traffic light.

1923-first power windshield wiper and first radio

1939-first turn signal on Buick

1946- first power windows in the Cadillac

1954-first padded dash

1958-first day/night rearview mirror

1963-first front seat belts

1965-first rear seat belts

Swap Meet

Doyle Marshall reported that March 7 is the deadline for applying for a scholarship. Applicants need to go to NBACF.org to apply. Applicants must live in our area, study in an automotive field and attend an accredited school. The next committee meeting will be at Dixie Grille on February 15th at 6:30pm.

Old Business

Everyone had a great time at our Snow Bowl. We found out that 3 game was a bit too much, next time we will do 2 games. Doyle Marshall got high game and Billy Dawson got the low game. We put on quite a show for the people on both lanes next to us. They enjoyed it as much as us.

The “Rodders and Hatters” car show was held on a very cold day but there was a lot of cars in attendance. There was over 1,200 car registered to be there. There was a lot of food and lots of shops to wander through. The crew of ‘Iron Resurrection’ was there talking with attendees. We passed out a lot of flyers for the Swap Meet.

New Business

Our Madri Gras party is Saturday February 10th at Marcia and Hank Hodgkins home. Bring your chairs, drink and finger food. Hope to see everyone there.

There is a “show and shine” at Elam Assisted Living in New Braunfels on March 17th. More information will follow.

April is open because of the swap meet, please sign up to help at the meet. We need all the help we can get.

We are having “Derby Day” at Kirby’s on May 4th. Ladies get your Derby hat and men dress for the races. We will have horse races again.

We are looking at a possible cruise in June to Tarpley and go to Mack & Earnie’s Eatery. They were featured on the Food channel .

The Lone Star Round-up in Austin is March 5th-7th.

February breakfast at Golden Corral is February 10th.

If you have any old license plates please bring them to our meeting so Hope Hospice can use the plates to be made into birdhouses.

Last of all club dues need to be turned in by March 1st to Marcia Hodgkins.

A motion to end the meeting was made, Billy Dawson approved it and Jim Basey seconded it.

MARILYN AND DOYLE
HAVE PUT TOGETHER A CRUISE
SATURDAY MARCH 24TH

**OKAY GUYS,.....LET'S GET INTO THOSE CARS AND IT IS TIME TO
GO CRUISIN**

COME CRUISE WITH US TO THE DINER
on
March 24th!

Let's get out and have some fun before the madness of the Swap Meet begins!

Doyle and Marilyn are putting together a back-roads cruise through the pristine farmland of western Guadalupe and Wilson Counties with a lunch stop at Baldy's in La Vernia.

Plan to meet at the Marshall home at 1120 Altwein Lane, New Braunfels at 9:00 a.m. Saturday. Pastries and coffee will be in the offering. [If you'd rather catch up along the way, just call us and we'll give you a good spot to rendezvous with the group-(830)708-1372].

Shortly thereafter, we will begin our trek to La Vernia via the quietest and most scenic back-roads possible. Prepare to relax and take in some pretty countryside and enjoy a great lunch!

Please join us. It's always so much fun when everyone is there!
