MORE THOUGHTS FROM A SLIPPED GEAR.....

Here we are at the 8th month.....and it is HOT AND HOT AND HOT. This is the month that we take a break and stay inside; or at least we try to stay inside. It is not a good sign when I am sitting inside and sitting still, and I just have some thinking to do. My Mother used to say that is when I was my worst baby sitter. Here are those thoughts.....

I was looking at a picture of a once beautiful show car. It had seen better days. I often wonder what it could tell me if it could talk. Did it like it best when it was perfect and shiny or did it like it better to be dull and used. Now from my experience in talking with show car people they say that they never use their cars for fun.....only shows. To me that is so sad, they look cocky and shiny, but they look lonely. Now My cars all have a scratch here and there, small dents along the doors from parking lots and a lot of dust and sometimes a little mud. However, they seem to always be smiling, even if they are a little tired from a hard run. At a show the show cars are usually parked well apart and often fenced in. All they can hear are the comments from the spectators; some good and some not so admiring. When we go out to eat or I take one of mine shopping, they are parked next to other cars and have a chance to do a little automotive gossiping. I have noticed that I always have trouble at the stop lights if I have another car beside me. My car/truck is always ready for that light to change to green. They are like a fine horse pulling at the reins. Green...Goooo....! Now I am not saying to go out and abuse your cars, but do go out and enjoy your cars. Do what they were built to do for you. We all have some reason that we bought and work on that special car. My excuse is that I have a motor related virus, and there is no antidote for a cure. And I married the man that I caught it from. We need a third person to be our conscience and hold us back; but we don't! However, every vehicle we have does some bragging about the miles on speedometer.

We have a second Trip at the end of October to South Padre Island to celebrate Vou Best Birthday. She has gotten all of the info for us about the camp ground, the condos and the cabins to rent, all of this s on the same grounds. Sooo, Road trip to South Padre Island. I will have the info ready. So Let's get and go, to the Texas Caribbean.and wish Vou a Happy Birthday!

Now remember, I said "don't let me sit and think for too long....!!!"

Just more thoughts from ...a slipped gear

July 4, 2017 NBACC Minutes

The club president, Sherry Dawson called the July NBACC meeting to order. The July meeting minutes were accepted by Dave Mills and seconded by Billy Dawson. Marcia gave the treasury report, nothing has really changed since there is little activity during the summer months. The report was accepted by Dave Mills and seconded by Billy Dawson.

Auto Trivia

Sergei Ceyans had us all laughing when he read George Carlin's rendition on aging. You become 21, you turn 30, your pushing 40, you reach 50, you make it to 60, you hit 70, and after that it's all day by day. Then he told us the ten ways to stay young. Remember, life is not measured by the breaths we take, but by the moments that take our breath away.

Care Committee

Jim Brockman has had knee surgery.

Swap Meet

Neither Doyle Marshall nor Mike Haas was at the meeting but Hank Hodgkins reported that that we now have 132 spaces left at the swap meet. Any club members that would like to get a space at the swap meet better do it now.

Last Minute News

Marcia Hodgkins will be out of town for five weeks. She has left some signed checks with Hank if anyone needs one. You must turn in store receipts in order to get refunded.

Old Business

Unfortunately there was not a very good turn out at Eden Hills or The Blue Lotus. We had a couple of cars show up at the Evans Show and Shine. We did have about 14 cars in the New Braunfels 4th of July parade. As a club we would appreciate it if as many members as possible would try to attend Kirby's on Friday evenings and Denny's on Saturday evenings. It would be great advertisement for the club if the members would bring their club cars. In doing this it will boost our chances of adding more new members. So let's all pitch in!

New Business

All of our current club officers have agreed to serve another term. I'm very pleased to hear this because as a club officer I feel we all have a great working relationship together. We will possibly have to replace a board member because of term limits. As a reminder our

August club meeting will again be at the New Braunfels Public Library. On either September 13th or the 20th we will have our cruise to Fredericksburg's Hanger Hotel. We have 10 rooms blacked out for us. We will stay Wednesday and Thursday nights. On Wednesday we can enjoy the hotel and it's history. We will have lunch and supper out. Thursday we will go to the Nimitz WWII Museum. After that you can shop and browse around. In the evening there are several restaurants close by for supper. The Officers club is open in the evenings. If you plan on going you will need to call for reservations, there is a 24 hour cancellation notice.

Our annual club picnic will be on October 7th Cypress Bend in New Braunfels. Lucy Mortinsen is in charge of the picnic this year, More information on the picnic will follow.

Fred Willard's cruise to the Alamo Springs Café outside of Kerrville will be on October 21st. More information will follow.

Billy Dawson made a motion to close the meeting and it was seconded by Sergei Ceyans.
