## MORE THOUGHTS FROM A SLIPPED GEAR.....

Well everyone; we are one half way through the year and I don;t think anyone wants to put the brakes on. I know, that we have been moving at warp speed; and I have had a great time **bossing** you around. I want to thank Billy for allowing me the time from work that it takes to keep this ball rolling and not bumping into all the ones I have in the air. He has been a good sport about it all and he has decided that I am even crazier than he believed me to be. Of course with good officers as my back up , it has been a pleasure! They make it easier for me!!!! These guys and girls are the backbone of the club and each of you need to take the time and thank them personally for their dedication of talent as well as time.

The **4<sup>th</sup> of July** is such a great Holiday! It is time to remove your hat, kick off your shoes and enjoy a wonderful day with people you want to be **...with**.

Remember there is an old saying,

“ You can pick your **Friends** but you cannot pick your **Family**.

**So now enjoy those that you have picked to be with today.**

We are living in a wonderful nation that allows us to gather in groups of our choosing and talk about what ever we want to discuss. We get to drive cars that are old or fast or just the right color and they bring a smile to our face and a memory that is so special to each and everyone of us. Jan and Dean bought a 63 Buick from Billy's mom, she loved the car and wanted it to go to a new loving home. It held good memories for her and she knew it still had many more to give. With the usual paperwork and questions and answers that a new purchase takes, we became friends with the STULLS . Now, They were quite insistent about us coming to a club meeting and meeting it's members. They called to remind us of the meeting day and time. We agreed one Sunday to do just that and now; here we are celebrating a wonderful friendship we have with so many. You never know who you will meet or how much you will enjoy the friendship. We were only one car away from missing all of this! There are more people out there who are just one car away from starting new friendships and learning more about our town and their cars.

**Life is Good** and we need to enjoy every minute and enjoy every breath. We have now, used up over half of this year; I do hope that you have enjoyed the ride as much as I have. Our calendar is full and our candles are getting shorter, but beside all of that; I am just not finished **BOSSING** you around.

Have a very **HAPPY 4TH OF JULY**

Just more thoughts from .....a slipped gear

## **June 4, 2017 NBACC Minutes**

The club president, Sherry Dawson called the June NBACC meeting to order. The May meeting minutes were accepted by Fred Willard and seconded by Marilyn Marshall. Marcia gave the treasury report (see below). The report was accepted by Billy Dawson and seconded by Larry Taylor.

### **Auto Trivia**

Sergei Ceyans did an outstanding job this week with his auto trivia. This week all he had was the rear view of car and we had to guess the type and year model. He also kept us in stitches as he read different quotes that were made by prominent and well know people.

### **Care Committee**

Cindy Gable had surgery on her back and was at the meeting today. She's doing a lot better now and hopefully get back to her usual self.

### **Swap Meet**

Doyle Marshall reported that that we now have 890 spaces sold leaving 185 of which 35 are for the car corral. If you go into our website you need to use the full name, New Braunfels Area Car Club.com. We already have our contract with the fair association for the 2018 swap meet. There is a provision that no dogs are allowed without a special wavier. This may allow us to enforce our no dog policy. It was also brought up that the fair association was selling out of date drinks this year and it was brought to their attention. The fair association will provide grounds mowing one week before the swap meet in 2018. If we need we can have it mowed before we do the layout.

### **Old Business**

The Gruene Car Show had a decent turnout, there was approximately 32 cars entered in the show. The Fly in, Drive in had another successful year as there were a lot of cars in attendance. We need to get our members out to Kirby's on Friday evening in Seguin and Denny's on Saturday in New Braunfels as it helps get our name out and makes the public aware of our club.

### **New Business**

On June 10<sup>th</sup> there is the gathering at Eden Hills complex for a car and motorcycle show from 9:30 to 11:30. We will proceed to the Blue Lotus Winery for the Chili cook off fundraiser for the Young Marines. There will be a sectioned off area for parking.

There is a show and shine on June 17<sup>th</sup> for Evans Vacuum reopening from 11:00 to 2:00. There will be pizza and drinks for those who show their cars. Please RSVP to 210-823-9585.

The 4<sup>th</sup> of July parade in New Braunfels will gather at 8:30 at Bridge Street for the parade. We will then meet at Sherry and Billie Dawson's house at 5:00 for our picnic and meeting. Please bring a salad/side dish, appetizer or dessert. Bring what ever you want to drink, they will have tea, coffee and water. Also bring your chairs. The club is providing the entrée. The Dawson's address is 4570 Barbarossa Rd.

We haven't nailed down the date yet but the cruise to Frederksburg will be either September 13<sup>th</sup> or the 20<sup>th</sup>. It will be Wednesday and Thursday night stay at the Hanger Hotel. The rate is approximately 149.00. On Wednesday will be spent enjoying the hotel and it's history and lunch. We will have supper out. Thursday we will go to the Nimetz WWII Pacific Museum, browse the shops, lunch, supper and then return to the hotel. The Officers Club is open in the evenings. We will return home on Friday.

We have our club picnic on October 7<sup>th</sup> at Cypress Bend park. And October 21<sup>st</sup> is our cruise to the Alamo Creek Cafe.

Our taxes have been filed and we are reinstated on our tax exemption.
