More thoughts from a Slipped gear.....April 2019

I know by now you are getting tired of this column, but this is my chance to tell you something you may not want to know. Good story tellers will tell you, to tell your audience something they may know and then something about you, the teller, that they would not know. Well, something you know is that I am a car lover. I may not know all about cars but I love to drive them, each and every one of them. Some may be super fast, like my dragster and some may be just fun to drive, like my Smart car, some may be just a great style, but I do like them all. Well.....maybe I do love the fast ones better..... and I do.

Now something that you do not know about me, is that I am a **wanna** be. I **wanna** get this club rearing up and ready to grow. I **wanna** get members ready to take charge and volunteer to do cruises, parties and to participate in everything that THEIR schedules permit. **JUST BECAUSE THEY WANT TO SERVE.** I **wanna** get everyone to look forward to the swapmeet and be ready to volunteer, and then to strive to be the best member at the meet. I **wanna** see everyone ready to step up and to lead us all. Then at the end of the year, I want everyone to look back and say, **"what a great year, Just Look at what we have done!"**

Now that is not out of reach; any of it. You are one of the best groups of friends that anyone could want to pick to **Surround** themselves. Many of You have stepped up every time that you are asked, and you have given 150% to the club. I cannot ask for anything more than that. However, we do have some that just want to stand back and see what someone else will do. Okay, it is time to buckle up and get to the front with some new IDEAS. We all love good food and a great cruise to nowhere. There are a lot of Nowhere's out there, so get it on!

The movie night was so much fun and Charles went out of his way to find the movie and make sure we could show it at the Place Theater. He and Danny even did a preview to make sure it would show on the equipment for us. We had a wonderful and a goofy time! There was Great food and a Great time. I am so sorry if you missed it, because, as I just said, **"it was great!"**

I **WANT** each and every one of you, to have have the **WANNA'S**. You need to have the drive to be the best member and look forward to having the best time ever. Now is your time to be the best **WANNA** in the club.

Just thoughts from a slipped gear.....

March 2019 NBACC Minutes

The club president, Sherry Dawson called the March NBACC meeting to order. A motion was made to accept the February minutes and was approved by Peter Glawe and seconded by Dexter Jones. We had several visitors at the meeting and they were Jim Brockman and Hershel and Sara Fields.

Treasury Report

Martha Greenlaw gave the treasury report. See attached page.

Care Committee

. It was reported that Louise Calvert is doing better and a “get well” card was sent to her.. Marcia Hodgkins is doing better but Hank is going in for surgery.

Trivia

Sergei Ceyans had photos of muscle cars and we had to guess the make and model along with the year it was made. There was a nice article in the Seguin Magazine on Charles and Martha Greenlaw’s 1932 Ford.

All 50 states require drivers to carry liability insurance. The deer is considered the most dangerous animal. If you happen to hit a deer your comprehensive insurance would cover the damage. What is the insurance called if someone crashes into you and you don’t have medical insurance, uninsured motorist. These factors are taken into account on your insurance rates, where you went to college, credit and whether or not you own your own home. Religion is not considered. PIP means personal injury protection. Only the owner of a car can insure it. If you slid off the road and hit a tree your collision insurance would pay for it. Comprehensive insurance covers theft, broken windshields and floods. If you drive your friend’s car and crash it his insurance will cover it first and anything else would come to you.

Swap Meet

Doyle Marshall reported that they have changed the window stickers this year to get into the swap meet. The new ones are a clear plastic pouch that you hang on your inside rearview mirror. That way next year you just put that permit into the pouch. The registration trailer will be getting an awning this year. There will be an increase in the registration fees for the 2020 Swap Meet. Sheri Haynes is still looking for help at the swap meet. There will be no

additional fees for using a credit card to register. One last thing, be sure to keep track of your hours spent on working on the swap meet.

Old Business

The Madri Gras party was a great success, lots of good food and great company. The weather was very cold but it was warm inside. And since no one got the baby in the King's cake, Charles and Cheryl will host the party again next year.

We now have a new drive in theater in Buda, it is called Doc's.

Sid Coldwell is looking for a 55-57 Chevy 2 door or a 55-56 Ford Fairlane. He does not want a fixer upper he wants something ready to go.

New Business

March 9th is movie night at the Palace Theater in Seguin at 6:00pm. It is \$20 per couple and you need to bring a finger food or desert. Popcorn and sodas will be provided by the theater. Family and friends are welcome. The show is Deuce of Spades.

March 15th at Kirby's in Seguin is our St Patrick's day event, everyone is encouraged to wear green.

Again be sure to sign up for the swap meet, we need all the help we can get.

May 8th is "take a ride on the mystery train". It is \$30 per couple and it starts at 5:00pm and goes to 9:00pm. You will need to bring a dish and don't come early. About half of the attendants will be actors and the other half will be sitting passengers. You are asked to dress in the 50's outfit.

There was a motion to raise the new members first years dues to \$45 and then the next year it will go back to \$30 and it was seconded.

Billy Dawson made a motion to adjourn the meeting.
