MANY OF THE MEMBERS WHO HAVE DROPPED OUT OF THE CLUB, GAVE THE REASON THAT "WE DID NOT DO ANYTHING".

WELL PUT ON YOUR DRIVING SHOES AND LETS GO!

I KNOW WE HAVE A LOT PLANNED, BUT TRY TO COME AS OFTEN AS YOU CAN, AND INVITE THOSE WHO WOULD ENJOY THE EVENTS. SHOW THAT WE ARE A WELCOMING CLUB. THEY WILL SOON GET A CAR OR VOLUNTEER TO HELP WITH THE EVENTS.

I CAN'T SAY IT OFTEN ENOUGH; BUT *WE NEED TO KEEP GROWING TO SURVIVE.*

LIKE LIFE, YOU CAN'T GO BACK

More Thoughts from a Slipped Gear

I am in my office looking out to a beautiful day and I got up to look in the mirror; I know that I have “sucker” printed on my forehead. I could be OUT riding in or on something and enjoying the day. We get only so many days! We cannot get one back after we let it go by and we can’t get an advance on the day to come. As young kids; **Time** moved oh soooo slow; then once we were in school, **Time** moved according to how interesting our class was at that moment. Grown, we were on our own, and **Time** was our *gift* and our *enemy*. Every day we got a new start, *the gift*, but then how much could we get done before the end of the day was here, *our enemy* if we did not meet our goal. Every year **Time**, has allowed us to make and meet new friends, but then **Time** is up for some and our address book changes. What I am saying is that **NOW IS THE TIME** for us to get going and get out, shake a few hands and meet some new enthusiasts and rekindle the spark with the ones we have known. The best thing about any auto enthusiast is that we have something in common; the love of a beautiful ride. In all of the shows that we do around the country, we find that from the youngest to the oldest, everyone has their favorite auto/truck, etc. We are a-kin’ by interest and curiosity. It starts with “what do you have” followed by “how did you do that”? Even the wives, who often are not into the mechanics, do enjoy the beauty of a fine ride. Some of the cars/trucks we have seen are different, but they are loved by their owners. They may have seen a little too, much **Time** on earth (like some of Us). They are still amazing pieces of imagination and wonder, because we all see something different in each machine. **Time** has a big influence on all things, some with rust, corrosion and dents; and then some with wrinkles, dimples and dents. We want to welcome the cars just as openly as we will welcome the owners.

We do need to expand our club with a few members who have less **Time** showing. The Swap Meet demands a lot of hard work and some younger muscle would be appreciated by all of Us who show up for the work details. **Time** is ticking on and we do not want to waste any of it, because it is so precious. You have asked for cruises and gatherings that can be enjoyed by all of us; however they do take **Time**. So be ready to block off some of your **Time** on your calendar to enjoy what is to come. Thank those who are gracious enough to volunteer and share their **Time** to enhance Your **Time**.

We know that you cannot do everything but do try to meet up and do as many events as Your **Time** permits.....by a slipped gear

February 5, 2017 NBACC Minutes

The meeting was called to order by our president, Sherry Dawson. Sherry explained that if you need to get in contact with her us sherrydawson73@gmail.com email address as it goes to her phone and you will get a quicker response. A motion was made by Billy Dawson to accept the minutes and Jim Basey 2nd it. The minutes were approved my majority vote. Marcia Hodgkins gave a treasury report that we had a beginning balance in our savings account of \$1,908.31 with deposits of \$1,040.00 less withdrawals of \$1,595.00 leaving a balance of \$1,353.31. Our Checking account beginning balance was \$48.029.96 with deposits of \$446.15 leaving us with a balance as of December 31, 2016 of \$48.476.11. A Motion to approve the treasurer's report was made by Jan Stull and 2nd by Chuck Ford. The motion was passed.

Sergei Ceyans did the trivia a little different this time. His presentation was a play on words. He reminded us of some of the old terms that we use to use like "jalopy", "broken record" and "hang out to dry". He also brought up the terms we use to use for hairdos such as "beehive" and "page boy". Jan Stull informed us that Linda Miller's mother had passed away. We were also notified that John Blacketer is still under the weather and Barney Calvert fell off of a ladder last week and is still slow to get around and sore.

Swap Meet

Doyle said that all of the spaces for the swap meet are sold out but there are still slots available in the car corral and the car show is still open. Everything is going very well with the preparations and he will have the parking passes at the next meeting. Art Stotts is unable to carry on with the car show and Millie wants a break from it so we are actively looking for someone to step up to the plate and take over the car show. The next swap meet meeting will be at the Dixie Grille in Seguin on the 16th of February at 6:30.

Old Business

We want to thank Sherry Dawson for all the hard work she put into setting up the Winery tour. Everyone had a great time with the wine, cheese and crackers. It was also brought up that something we need to think about is the chili cook off at the winery later this year. The Lockhart car show had about 1,200 car entered in it this year with a good turn out. Jim Basey is working on getting a list of restaurants that we can consider using when we go on our cruises. Sherry is looking for feedback from the members as to what types of cruises we want to go on whether it be short, long, fast, or slow. So be thinking. The King William association is still considering what type of cars they would be interested in to have in their parade and will let us know. Our web page is will be handled by Celeste Rance and she is interested in feedback we have for her as to any ideas and additions we might want to the page. It was also brought up that we might want to consider having a facebook page. Sherry Dawson and Tom Price explained to the club that they are working on having a raffle for model cars that Tom builds. These proceeds would go back into a fund for the club to use for our own special events. If we have a good enough response from the members to make it worth while we will proceed with the program.

New Business

There will be a Mardi Gras party at Hank and Marcia Hodgkins house on the 25th of February from 3:00 TO 6:00. Reminder to wear the Mardi Gras colors of Green, gold and purple. Please RSVP to Marcia. Coming up this month is the swap meet in Conroe Texas on the 17th. On March 25 we are having the "Dinner on a Diner" at the New Braunfels train station. We have room for 48 people and the tickets are \$10.00 per person. Everyone is asked to bring a food dish from the 40's, 50's or 60's. We will also have the opportunity to visit the museum and the model train displays. We have been invited by the V-8 club to join them at the YO Hotel in Kerrville on the 6, 7, 8, and 9 of April. Anyone interested will need to contact Dave Mills on the progress. Fred Willard is also working on a cruise to the Alamo Springs Café sometime in May. He will keep us informed on his progress. This will probably be a 2 hour one road trip.

Our next meeting on March 5th will be held at the Seguin Public Library. We may be holding additional meeting there in the future.

Other Business

Fred Willard attended a meeting of the Sophienburg Museum and they are looking at getting older cars for the 4th of July parade commemorating World War one. They are asking for our club involvement in this celebration and Fred will get more information about it at their next meeting.

Marcia also brought up that the company making our name plates will do individual name tags for a cost of \$7.50. She also said that she still has 3 vests if anyone interested. She has 2 x-large and 1 large left at the price of \$37.00. She also reordered patches and they are \$5.00 each. Sherry is going to check with a company in Seguin that she has used before and see what they will charge for the nametags. Marcia also informed us that we now have 111 individual members in the club.

A motion to adjourn the meeting was made by Billy Dawson and 2nd by Mike Haas.

SCHEDULE OF EVENTS FOR THE COMING MONTHS

JANUARY - WINE TASTING TOUR - JANUARY 28TH,
BLUE LOTUS WINERY 3:00PM

FOR THE PICNIC ; WE WILL NEED SOMEONE TO STEP UP
GREAT TIME FOR FAMILY AND FRIENDS
MORE INFO LATER.

MARK YOUR CALENDAR

There was a gathering of members ready to party.
With Marcia fresh out of the hospital the night before.
She set a standard for all of us to mark on our diary;
for her dedication to our club. The place was spotless,
you could eat off of the floor. I did not take a
count, we had a least 30 plus people. As always the
food was great and the social was even better.
Thanks to Hank and Marcia for stepping up .

Our Future Event

**You may walk around the museum while you wait
before and after dinner.**

**no alcohol please: let Sherry know your dish
questions: 830-305-4570**

Lockhart Car Show by Richard

For all the poor people who didn't make it to the car show in Lockhart. They really missed out on a great time and a wonderful show.

There were really was a wonderful bunch of neat cars, people, music and food. It was really cold but that did not stop loads of people from showing up.

It was funny all the car owners who I spoke to, not one was from Lockhart. Even a friend who was with me and not a car person said he could not believe the set up and how many cars were there.

I'm sorry my car wasn't there but I'm pulling the engine out to get ready for my trip to Indiana in June. There was one car from our group that was beautiful; a '49 Pontiac owned by Welton Cox. It was good to see at least one from our group.

Maybe next year the weather will be warmer, drier and sunny.

See you there next year.

* Editors note: there were two from our group.*
